Welcome and Thanks for coming! ☺

Welcome and Thanks for coming! ☺

This topic is REALLY important.

Welcome and Thanks for coming! ☺

This topic is REALLY important.

Aligned tech platforms + practices change things.

Welcome and Thanks for coming! ☺

This topic is REALLY important.

Aligned tech platforms + practices change things.

Everyone can speak and show stuff in the discussions.

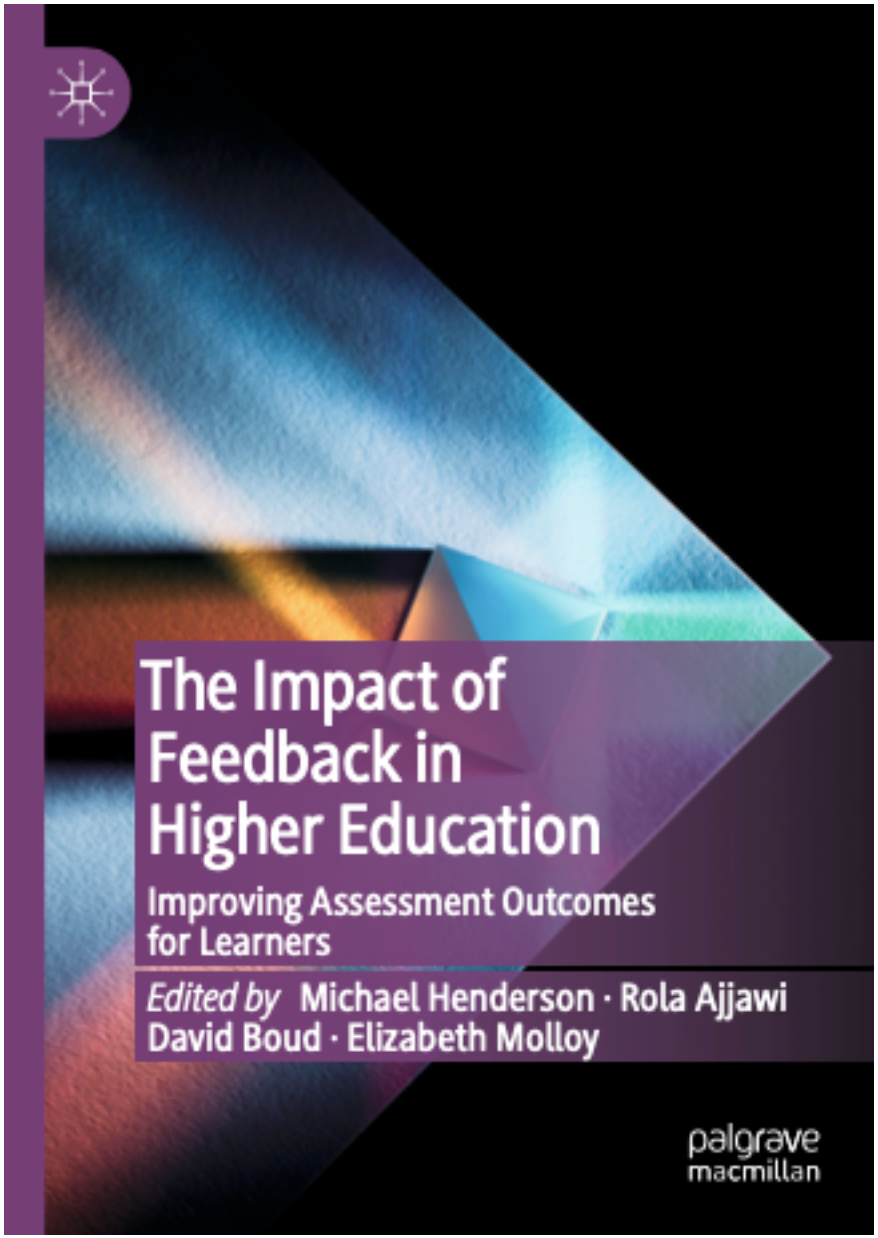

Welcome and Thanks for coming! ☺

This topic is REALLY important.

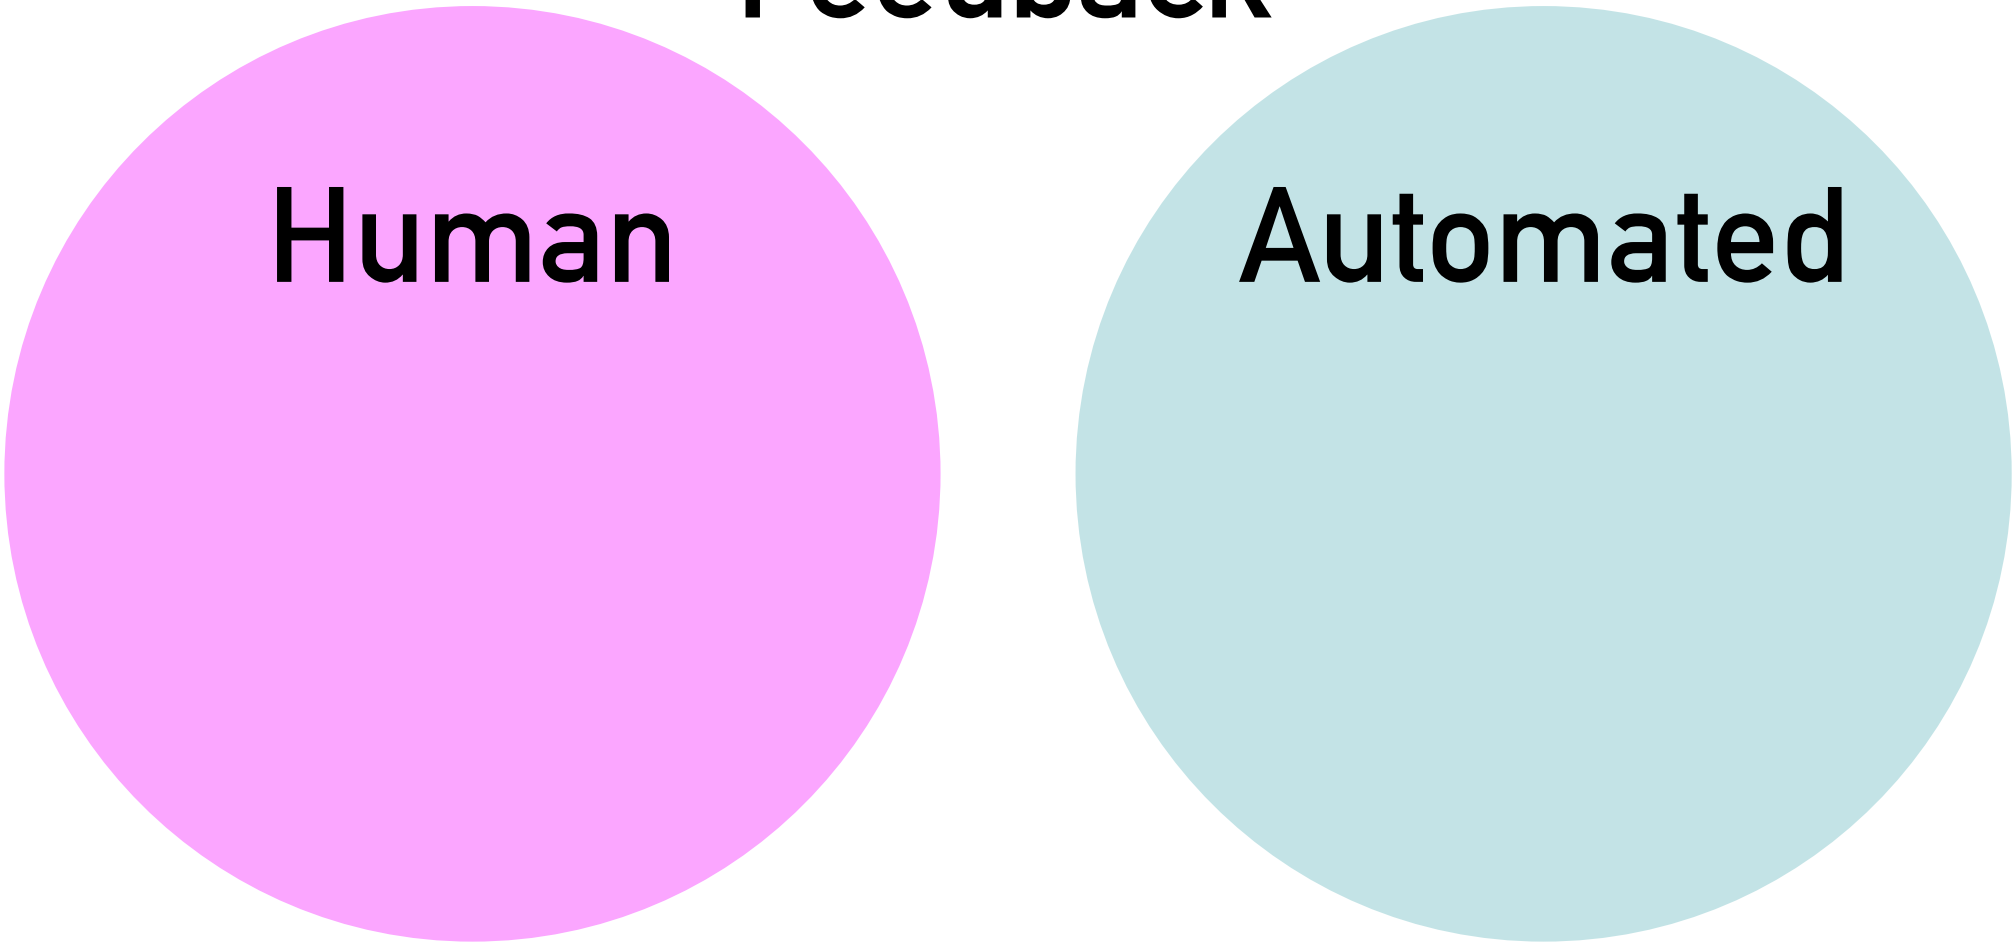

Aligned tech platforms + practices change things.

Everyone can speak and show stuff in the discussions.

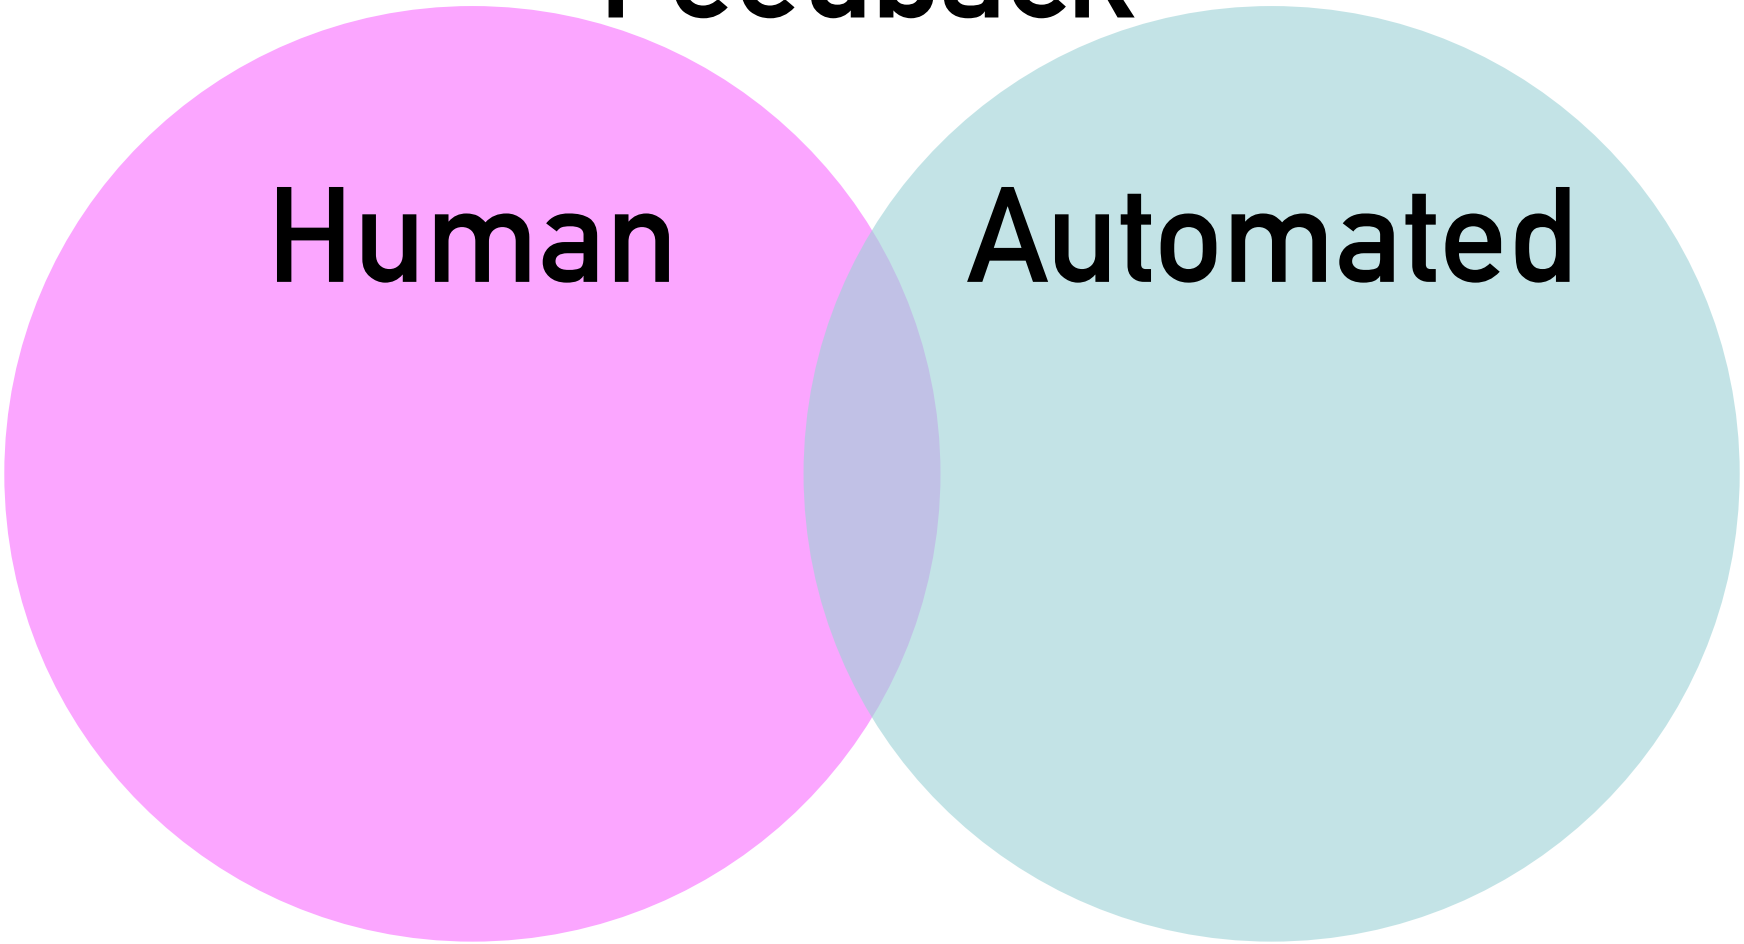

How we wrap up tomorrow is emergent…

The Impact of Feedback in Higher Education
Improving Assessment Outcomes for Learners

Feedback

What's in this sweetspot?

What's in this sweetspot?

sensemaking

behavioural change

theory-informed practice

co-design

no 'black boxes'

learner agency

affect

dialogue

reflection

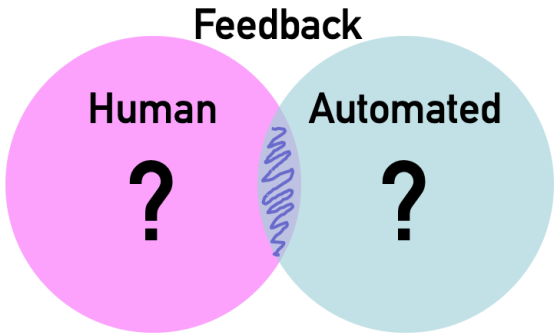

information design

critiquing feedback

dispositions

…?

An invitation to open ourselves
and question our assumptions.

Let's enjoy the chance for deeper dialogue,
and maybe breaking some new ground!
